

Dress and Grooming (All Grade Levels)

The district's dress code is established to teach grooming and hygiene, prevent disruption, and minimize safety hazards. Students and parents may determine a student's personal dress and grooming standards, provided that they comply with the campus dress code.

If the principal determines that a student's grooming or clothing violates the school's dress code, the student will be given an opportunity to correct the problem at school. If not corrected, the student may be assigned to in-school suspension for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school. Repeated offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.

APPAREL - DRESS CODE VIOLATION

A necessary factor in school morale concerns student's dress. As a student's appearance many times governs his attitude and behavior; neat, clean, modest attire is important. Sloppy, tattered or distracting dress detracts from the learning atmosphere and is considered inappropriate. The following rules have been established to create the most beneficial environment for the student.

Questionable dress or appearance will be referred to the office. Questionable dress is considered any attire that draws undue attention and is questionable to good taste and modesty. A parent conference is mandatory for students upon receiving his/her third violation. Exception to the dress code may be made only by the principal or superintendent of school when provided certification by a medical doctor stating that student has a physical deformity or abnormality and that compliance with the code would be detrimental to the physical health of the student.

Students of JISD are expected to dress appropriately at all times. If the principal determines that a student's grooming or clothing violates the school's dress code, the student will be given an opportunity to correct the problem at school. If not corrected, the student may be assigned to in-school suspension for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school. Time lost in the classroom in order to comply with the dress code may be considered a tardy or unexcused absence. Repeated offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.

This dress code is in effect during the school day, while students are on any JISD campus or traveling in district vehicles, and at all school sponsored activities. Some special occasions or circumstances may be allowed at the campus administrator's discretion.

This dress code is probationary and is subject to change at any time during the administrative school year. If JISD campuses experience repeated issues with the outlined dress code, then JISD may, at any time, revert to the previous Standardized Dress Code or make changes to the dress code at the direction of the Superintendent or School Board.

Dress Code and Behavior Expectations

For JISD Special Events (Dances/Proms)

There are events out in the community designed for teen interaction or students can organize their own gatherings, where the school does not have, and certainly does not want to have any jurisdiction. What styles of dress and behavior occur there will partially be determined by any informed parent's decision to allow their student to attend or not. But for school events, where we have the authority and the responsibility to maintain standards that we feel are consistent with our district and our community, we will impose

and enforce the following expectations.

If the attire is questionable, students are encouraged to show their evening wear to the administrators beforehand to determine if it is appropriate for the event (special considerations may be made at campus level for designated events).

Girls:

Proms/Dances: Girls will wear semi-formal, formal gowns, or outfits with pants as campus administration deems appropriate for each event. Strapless and spaghetti straps will be permitted.

Boys:

Proms/Dances: Boys are encouraged to wear a suit or sports coat, but at a minimum they are expected to wear semi-formal wear, such as slacks, nice shoes, and a nice shirt (ties are encouraged, but not required).

The following will not be permitted:

1. No extremely low cut dresses (front or back) - Front of dress must not fall below bra line.
2. No two piece formal gowns or pants and top, where the midriff is showing
3. No see through gowns
4. No shorts
5. No jeans
6. No tennis shoes/vans
7. No torn clothing
8. No earrings on males
9. No facial piercings

Again, if the attire is questionable, students are encouraged to show their attire to the administrators beforehand to determine if it is appropriate for the dance.

A date or guest of a JISD student attending a school event must be at least a school aged student in relation to the campus hosting that event.

Consequences:

Students will not be permitted into the dance/event or will be escorted out of the dance. No money will be refunded.

If a JISD student's date is not a JISD student (from another school), it is the responsibility of the JISD student to inform his or her date that the required dress code and behavior codes will apply to the date as well.

Suggestive Dancing and Public Displays of Affection

Styles of activities that the administration /chaperones determine to be inappropriate for a school event setting will not be permitted. The style of activity referred to includes dancing in a manner that strongly suggests sexual activity.

Public displays of affection will not be acceptable. The behavior referred to includes kissing or other displays of intimacy inappropriate for a school dance setting.

As parents, we know that you entrust us to provide the best environment for your student not only during the day but at evening activities as well. Monitoring activities such as dance, public display of affection, and attire will allow us to accomplish this endeavor. We will notify you by phone if your student is not being admitted to the dance because of attire or being asked to leave because of inappropriate dancing or conduct.
